

SUPPORT GIVE LOCAL MOV, SUPPORT OUR COMMUNITY

Give Local MOV is a 24-hour online giving event supporting Mid-Ohio Valley nonprofits that help make this such a great place to live, work, and play.

The Mid-Ohio Valley Health Department (MOVHD) Oral Health Program established an endowment fund with the Parkersburg Area Community Foundation (PACF) in 2011. This fund is invested for growth and is the only fund dedicated to oral health in our region.

As the MOV Oral Health Fund grows it can be used to support oral health programs through the Mid-Ohio Valley Health Department that serve low income residents.

On May 7, 2019 12AM-11:59PM PACF will be sponsoring the Give Local MOV 24-hour on-line fundraiser. Matching funds and incentive prizes create excitement in the community and encourage individuals to give and keep giving on May 7th to their favorite non-profits.

The PACF will match dollar for dollar every \$100 donation up to 10 times or \$1,000. Individuals could pool their donations of \$10 to make a \$100 donation and help the MOV Oral Health Fund receive match \$\$.

There will be upcoming information in the local media and on Facebook. Please consider supporting this effort and sharing the information when you receive it electronically.
