### **Daycare begin process to re-open**

**Parkersburg, WV, May 1, 2020** – The Mid-Ohio Valley Health Department received another positive COVID-19 case. Wood county adds a new case today which brings the total to 39 cases. Pleasants county still has two cases. Roane has 7 total cases. Wirt county remains at three cases. Ritchie and Calhoun counties have no reported positive cases to date.

As the Governor's ***WV Strong...Comeback*** begins. Daycare centers have been given the protocol for re-opening their facilities.

Below are some of the COVID-19 testing facilities in our region:

**Med Express Vienna 1500 Grand Central Avenue: 304.485.3627**

**Coplin Health Systems – four sites**

**2610 Camden Avenue Parkersburg - Phone 304.973.3733**

**483 Court Street Elizabeth - Phone 304.275.3301**

**606 Washington Ave Ravenswood - Phone 304.273.1033**

**512 S Church Street Ripley - Phone 304.372.1033**

**Minnie Hamilton Health Care– 186 Hospital Drive -304.354.9244**

**WVU Medicine – #4 Rosemar Circle**

- If you have a WVU Medicine Provider, contact them for an order
- If you do not have a WVU Medicine Provider, **call 304-598-6000 #4** and inform them that you are a daycare employee needing tested to be able to work

All facilities ask that you call before coming. There are some stipulations for each site. More detailed information is available at [www.movhd.com](http://www.movhd.com). This may not be an exhaustive list, and we will add others to our website as we learn about other testing sites.
