Wood County office closed due to water line break

Due to a water line break over the Memorial Day weekend, the Wood County office of the Mid-Ohio Valley Health Department will be closed until necessary clean up and repairs are made.

Employees will continue to serve the public through alternate means.

Wood County's MOV WIC will be holding appointments at the Wirt County WIC office today, May 29, and then at the Jackson Community building in Vienna until the return to office. All Wood County clients should call the Wirt County WIC office at 304-275-3150 if they have questions or concerns during this time. If faxes need to be sent, they can be sent to the Wirt County office at 304-275-6590.

For Environmental Health concerns, please contact Allison Danner at allison.l.danner@wv.gov. If any fees need to be paid during this time, they can be made at any of the other five county offices or online at <https://www.movhd.com/online-payment/>.

Alternate sites of clinics are being scheduled, and will be announced as soon as possible. Please continue to follow our Facebook at www.facebook.com/MidOhioValleyHealthDepartment, Instagram and Twitter @MOVHealthDept, or our website at www.movhd.com to receive updates.
